Dear Duke Alumni and Friends:

Explore the lands and legacies forged by centuries of Baltic history and hear firsthand from historic world leader, Nobel Peace Prize Laureate and former President of Poland, Lech Wałęsa, and noted author and award-winning scholar Sergei Khrushchev, son of Soviet Premier Nikita Khrushchev.

Considered by many to be one of the most significant cruise itineraries, this voyage features six Baltic countries and seven UNESCO World Heritage sites and is scheduled during the best time of year when you can experience the luminous “White Nights” of the summer solstice.

Experience the cultural rebirth of the Baltic States and imperial treasures of St. Petersburg, Russia, while cruising aboard the exclusively chartered, Five-Star small ship **Le Soleal**, which features only 110 deluxe Suites and Staterooms, and provides all the luxury and sophistication of a fine hotel. In the tradition of ancient Viking mariners and medieval merchants, set forth from Denmark’s sophisticated, innovative and exceptionally “green” capital city of Copenhagen to the cosmopolitan, royal Swedish capital of Stockholm. Immerse yourself in the historic epicenter of the Solidarity movement in Gdańsk, Poland; enjoy the well-preserved medieval Old Town of Tallinn, Estonia; and spend two days docked in the heart of regal St. Petersburg, with an early-opening tour of the world-acclaimed State Hermitage Museum and visits to the Peter and Paul Fortress and the spectacular czarist palaces at Petrodvorets and Pushkin. Walk amid the stunning architecture of Helsinki, Finland, and tour the seldom-visited Hanseatic League town of Visby on Sweden’s Gotland Island. On the Wonders of Norway Pre-Cruise Option, visit the vibrant city of Bergen, cruise through stunning fjordlands and enjoy one of the world’s most scenic train rides, and experience the splendors of Stockholm during the Post-Cruise Option.

As our Duke group grows in size, a Duke host will join the trip to bring a uniquely Duke perspective to the tour. This comprehensive and exclusive travel offering features Five-Star accommodations, a specially arranged shore excursion in each port and all meals.

I encourage you to book now, as capacity is limited and this popular program sells out quickly!

Forever Duke,

In 1980, shipyard workers led by Lech Wałęsa founded the Solidarity movement, the first independent trade union in Eastern Europe and the key factor in winning the Polish struggle against Communism. early-entry guided tour of the incomparable State Hermitage Museum. One of the world’s greatest art repositories, the UNESCO World Heritage-designated museum was the former czarist palace of Catherine the Great. Its spectacular collections are rivaled only by the museum’s lavish interior.

This afternoon’s panoramic tour of the historic city center, a UNESCO World Heritage site, features legendary landmarks scattered across more than 100 islands and linked by more than three times as many bridges. St. Petersburg’s main thoroughfare, Nevsky Prospekt, showcases exquisite examples of Russian Baroque and neoclassical architecture. See the ornate Church of Our Savior on Spilled Blood (Church of the Resurrection of Christ), built on the site of Emperor Alexander II’s assassination, and the 19th-century St. Isaac’s Cathedral, with a striking golden dome that is one of the glories of the city’s skyline. Visit St. Petersburg’s first building, the Peter and Paul Fortress, constructed to secure the country’s access to the sea, and the impressive Baroque Cathedral of Saints Peter and Paul, containing the tombs of 32 czars, from Peter the Great to Nicholas II, the last of the Romanovs.

The evening is at leisure. An optional opportunity to attend a Russian folklore show performed in the Nikolaevsky Art Center is offered.

St. Petersburg
Wednesday, June 20
This morning, visit the imperial compound of Pushkin and Catherine the Great’s elaborate rococo palace, a UNESCO World Heritage site, highlighted by a special visit to the extraordinary Amber Room, which is said to be the “Eighth Wonder of the World.” Then, savor a lunch of Russian specialties while enjoying a traditional Cossack dance performance.

Enjoy a guided tour of the splendid parklands and extravagant UNESCO World Heritage-designated Grand Palace of Petrodvorets, commissioned by Peter the Great to rival the Palace of Versailles. The elaborately landscaped grounds feature magnificent formal gardens and cascading fountains.

Return to St. Petersburg by hydrofoil, skimming over the Gulf of Finland.

Helsinki was named the World Design Capital in 2012 for its innovative use of design in stimulating an urban environment. Stand on deck as the ship approaches the city for the best view of the 18th-century maritime fortress of Suomenlinna, a UNESCO World Heritage site.

On a panoramic city tour, see the stately Senate Square and the diplomatic quarter of Kaivopuisto. Visit the modernistic Temppeliaukio Church, or “Church of the Rock,” impressively hewn out of natural bedrock.

The traditional fishing boats and colorful edifices along Copenhagen’s Nyhavn canal retain the waterfront’s authentic 18th-century maritime character.
Enjoy free time to explore Helsinki’s lively Market Square before reboarding the ship.

By special arrangement, enjoy an informative lecture with time for questions and answers by distinguished author and scholar, Dr. Sergei Khrushchev.

Visby, Gotland Island, Sweden Friday, June 22

Call at the Baltic island of Gotland, rich in Swedish history with abundant ancient sites and more than 100 medieval churches. The marvelous Old Town of Visby, the former Baltic center of the Hanseatic League, is a UNESCO World Heritage site and arguably the best preserved medieval city in Scandinavia. On the walking tour of this “city of roses,” see the 13th-century walls and the original medieval gates, towers and stone warehouses, and tour the iconic Cathedral of St. Mary.

Enjoy time at leisure before returning to the ship. This evening, attend the Captain’s Farewell Reception.

By exclusive arrangement, Lech Wałęsa, former president of Poland (1990 to 1995), Polish hero and international icon in the pursuit of freedom and democracy, will meet with our group on board Le SoLéaL. From his position as a marine electrician in Gdańsk’s Lenin Shipyard, Mr. Wałęsa emerged as a world-renowned figure in the struggle against Communism during the 1980 shipyard workers’ strike and the establishment of the Polish Solidarity labor movement. Despite winning the right to form an independent union, Mr. Wałęsa and Solidarity continued to confront the Soviet-backed regime of General Wojciech Jaruzelski, which jailed Mr. Wałęsa and imposed martial law in Poland in December 1981. Mr. Wałęsa was awarded the Nobel Peace Prize in 1983, a watershed moment widely considered to have been the first crack in the Soviet Union’s Iron Curtain, which crumbled with the Berlin Wall in 1989. Mr. Wałęsa became the first foreign non-head of state to address a joint meeting of the U.S. Congress in 1989.

A distinguished author and scholar, Dr. Sergei Khrushchev is the son of former Soviet Premier Nikita Khrushchev (1957-1964) and a former visiting professor of Slavic studies at Brown University, where he also served as a senior fellow at the Watson Institute for International Studies. Dr. Khrushchev’s research has focused on the history of the Cold War and the turning points in relations between the U.S. and the Soviet Union in the Khrushchev, Eisenhower and Kennedy eras; the history of Soviet missiles and space development, in which he played an active role; and the Soviet Union’s transformation from centralized to decentralized government and market economy. He co-authored his father’s memoirs, The Time, the People, the Power (1999), and translated them into English (2005-2007). Dr. Khrushchev is a popular commentator for the American media and the author of more than 350 books and articles, including Khrushchev on Khrushchev (1990), Nikita Khrushchev: Crisis and Missiles (1994) and Nikita Khrushchev and the Creation of a Super Power (2000).
