Five-Star Le BORÉAL

Lisbon • Oporto • Santiago de Compostela • Bilbao
Brittany • Normandy Beaches • River Thames to London
Dear Duke Alumni and Friends:

From the old-world sophistication of Portugal and the artistic riches of Spain’s Basque country to the Celtic heritage of Brittany and the timeless, stately elegance of London, a riveting canvas of influential European seaports awaits you along the shores of the Atlantic Ocean. We are delighted to present this exclusive, Five-Star, small ship itinerary featuring the captivating historical legacies and the enduring yet dynamic cultures of these European Coastal Civilizations.

Visit three UNESCO World Heritage sites, including Oporto, the center of world-famous port wine production; Santiago de Compostela, where you will walk in the footsteps of medieval pilgrims to visit the tomb of St. James; and the magnificent Mont-St-Michel and its impressive abbey that appears to rise out of the sea.

A highlight is sure to be your experience at the hallowed beaches of Normandy with special guest speaker Dwight David Eisenhower II, grandson of General and President Dwight D. Eisenhower, Supreme Commander of the Allied Forces during World War II, where the course of world history was altered in 1944 with the historic D-Day landings.

Cruise Spain’s ruggedly beautiful Costa Verde, tour the Frank Gehry-designed Guggenheim Museum in Bilbao and, in a grand finale, sail up the River Thames into the heart of London, where your ship will overnight a stone’s throw from the illustrious Tower Bridge.

As our Duke group grows in size, a Duke host will join the trip to bring a uniquely Duke perspective to the tour. This is an extraordinary and popular nine-day cruise aboard the exclusively chartered, state-of-the-art, Five-Star Le Boreal, an elegant small ship able to sail into ports inaccessible to larger vessels. It features an included cultural excursion in each port and is an excellent value. I encourage you to book now while space and Early Booking Savings are available!

Forever Duke,

Lisbon, Portugal
Tuesday, May 1
Arrive in Lisbon and embark the Five-Star Le Boréal. Attend the Captain’s Welcome Reception and dinner this evening.

Leixões for Oporto
Wednesday, May 2
Dock in Leixões, northern Portugal’s principal port, and transfer to Oporto, a former Roman outpost and the center of the world-famous port wine trade since the 13th century. Oporto’s historic city center, Ribeira, a UNESCO World Heritage site, is a picturesque neighborhood of medieval streets lined with colorful houses where you will visit the Gothic Church of São Francisco and the neoclassical Stock Exchange, with its intricately gilded Arabian Hall inspired by the famous Moorish Alhambra palace.

The city showcases great artistic and architectural treasures that remain from the Moorish period, when previous Greek and Roman influences, along with religious tolerance between the Jewish and Christian faiths, created a coexistence of cultures in which disciplines like mathematics, medicine, optics, horticulture, art and architecture flourished.

A Coruña, Spain, for Santiago de Compostela
Thursday, May 3
Travel into the oak and pine-forested hills of Galicia, one of Spain’s self-governed principalities, influenced by its Roman, Germanic, Moorish and Castilian heritages and infused with an unexpected Celtic atmosphere. Golden-hued granite buildings grace its well-preserved capital, Santiago de Compostela, a UNESCO World Heritage site, where medieval pedestrian stone streets lead to the expansive Plaza del Obradoiro and the city’s grand Romanesque cathedral.

Cover photo: Europe’s highest tidal variations occur in the bay surrounding the small rocky island on which the magnificent Gothic-style Benedictine monastery of Mont-St-Michel was built.

Photo this page: The remnants of “Beetle” pontoons used in the landing of troops and equipment on D-Day can still be seen on Gold Beach off the seaside town of Arromanches.

Cruise up the River Thames to London’s iconic Tower Bridge.
A national monument and pilgrimage site since the Middle Ages, the cathedral was built to enshrine the tomb of St. James, who preached on the Iberian Peninsula, and is recognized for its distinctive Baroque façade, original medieval portico and incomparable Churrigueresque altar.

**Santander for Bilbao**

**Friday, May 4**
From Santander, transfer to Bilbao, surrounded by the verdant Basque Mountains. Discover this dynamic and sophisticated city with a stop in the historic casco viejo (old quarter) and the promenade of El Arenal, a popular route for Bilbaínos’ evening paseos (leisurely strolls). Enjoy a guided tour of the iconic, Frank Gehry–designed Guggenheim Museum, renowned for its collection of modern and contemporary art.

**Cruising the French Coast**

**Saturday, May 5**
While cruising the dramatic west coast of France, attend an exclusive onboard lecture by historian and special guest speaker Dwight David Eisenhower II.

**St. Malo, France, for Mont-St-Michel**

**Sunday, May 6**
The UNESCO World Heritage site of Mont-St-Michel is one of the most awe-inspiring sights in all of France—its spectacular, soaring spires rise majestically from a tidal plain seemingly suspended above the sea. A pilgrimage site since the early eighth century, this fortified village began as a humble oratory and grew into an influential Benedictine monastery between the 12th and 13th centuries, becoming a renowned medieval center of learning. Experience the extraordinary beauty of its cloisters, refectory, stained-glass windows and the Abbaye du Mont-St-Michel, a three-story Gothic masterpiece known as La Merveille (The Miracle) since the 12th century.

**Caen for Normandy Beaches**

**Monday, May 7**
Dock in Caen and travel through the scenic countryside to the historic Normandy beaches. In the company of Dwight David Eisenhower II, walk where Allied forces landed on June 6, 1944, under the direction of his distinguished grandfather, Supreme Allied Commander Dwight D. Eisenhower. Contemplate the solemn commemorative crosses and Stars of David in the American Military Cemetery at Colleville-sur-Mer overlooking Omaha Beach. Envision the heroic soldiers of the United States Army Second Ranger Battalion, who scaled the 100-foot sheer cliffs to capture German gun emplacements at Pointe du Hoc.

A three-story Gothic masterpiece known as La Merveille (The Miracle) since the 12th century.

The iconic 16th-century Tower of Belém was built in the Tejo Estuary to protect the city of Lisbon.
For centuries, oak casks of port wine have been transported on traditional flat-bottomed rabelos from the hills of the Upper Douro region to the port lodges of Oporto.

Following lunch, continue to Arromanches to see the remnants of Mulberry Harbor, constructed by the British to support Allied landings on the Normandy beaches. View an engaging wraparound short film documenting the D-Day campaign at the Arromanches 360 Circular Cinema; alternatively, you may choose to see the famous 230-foot-long Bayeux Tapestry, a stunning visual chronicle of the Norman Conquest of 1066.

Cruising the English Channel/River Thames/London, England
Tuesday, May 8
Enjoy lectures this morning as the ship cruises the Strait of Dover, once a river valley separating England from the European continent and where the naval forces of Queen Elizabeth I delivered a fatal blow to the Spanish Armada in 1588.

Then cruise up the River Thames into the heart of London, a memorable passage possible only by small ship. Enjoy a cup of afternoon tea while passing the Thames Barrier; historic maritime Greenwich, where the Cutty Sark ship is moored and the prime meridian lies; and the soaring skyline of Canary Wharf. Be on deck as your voyage culminates in a dramatic approach to London’s iconic Tower Bridge.

Dock overnight on the River Thames across from the Tower of London and alongside the historic naval vessel HMS Belfast. Attend the Captain’s Farewell Reception this evening.

Allied forces landed at the beaches of Normandy on June 6, 1944, launching the D-Day invasion.

**Featured Guest Speaker**

**David Eisenhower**

There can be no more fitting way to pay tribute to the Allied Forces, whose courageous D-Day invasion changed the course of World War II, than to walk on the historic beaches of Normandy liberated by American, Canadian and British forces. It is a privilege to have David Eisenhower, our expert historian who is personally familiar with one of the most powerful world leaders of the 20th century and World War II, present a dynamic lecture and accompany this profound visit to the beaches of Normandy.

DWIGHT DAVID EISENHOWER II, grandson of General and President Dwight D. Eisenhower, is a noted historian of World War II and the Cold War. His 900-page bestseller *Eisenhower: At War 1943-1945*, published in 1986, was a finalist for the Pulitzer Prize in history.

David is Senior Fellow of the Foreign Policy Research Institute and a Public Policy Fellow at the Annenberg School of Communication and the School of Arts and Sciences at the University of Pennsylvania, where he teaches “Communication and the Presidency.”

The Normandy Beaches

In a pivotal moment in the history and culture of Europe’s Atlantic coastal regions, on June 6, 1944, Supreme Allied Commander Dwight Eisenhower gave the order for 133,000 Allied troops to land along a 50-mile stretch of heavily fortified French coastline. The invasion, known as Operation Overlord, was supported by 7000 ships and 11,000 aircraft and by day’s end had gained the Allies a foothold on the continent to begin their march to free Europe. A portal to the region that altered the new world order, the beaches of Normandy honor the great history that unfolded on these shores so many years ago.
