Dear Duke Alumni and Friends,

Explore an immersive exploration of Basque Country, a fascinating region that stretches across northern Spain and southwestern France along the Bay of Biscay. One of Europe’s oldest peoples, the Basques have maintained their culture and unique language during the past two millennia due to the mountainous terrain which surrounds them.

From you well-located base in Hondarribia—a lovely town near the French border—explore quaint villages, Bayonne’s Gothic cathedral, and the renowned seaside town of San Sebastian and Biarritz. Learn about Basque cuisine at a private dining club, journey to return to 3 (Pamplona), and visit the Guggenheim Museum in Bilbao.

In addition to engaging excursions, you’ll come away with a deeper understanding of this ancient culture, thanks to enriching insights shared by expert local guides and lecturers. Additionally, with an experienced Travel Director handling all the details, you’ll be able to relax and appreciate your surroundings.

Duke Travels is pleased to have engaged Alumni Holidays International to operate this tour. As the Duke Group grows in size, a Duke host will be engaged to join the program to bring a uniquely Duke perspective to the tour.
