Dear Duke Travellers,

Join an enthralling 12-night adventure through Singapore, Malaysia, Thailand and Cambodia, extraodinary destinations with rich histories and diverse cultures. From modern Singapore and the natural beauty of Malaysia to vibrant Bangkok and the towering Angkor temples of Siem Reap, this adventure showcases the beauty of Southeast Asia.

Start your adventure by exploring bustling, multi-cultural Singapore followed by an enigmatic journey around the elegance and charm of the Eastern & Oriental Express train, where you will choose from included excursions on Penang Island in Malaysia. Then, fly to Bangkok to discover ancient temples, ancient ruins and bustling waterways. Plus, sail through the towering streets of Ayutthaya, Thailand’s ancient capital city.

The journey continues in Cambodia amid Angkor’s moss-covered ruins, an unforgettable journey aboard the elegant Eastern & Oriental Express train, where you’ll enjoy an unparalleled encounter with Southeast Asia’s far-flung landscapes. As the sun sets, listen to the sounds of the forest as you relax in the open-air Observation Car and sip a Shanghai Express while the pianist plays your old favorites in the piano bar.

Carved local fruits at sunrise. Feel like you are dining in one of the world’s top restaurants when you take your seat in one of the lavishly decorated dining cars. Enveloped in rose-carved local fruits and frangipani flowers perfume the air. Stewards deliver freshly baked croissants and delicately filled pastries straight from the oven. Then, savour fine wines and sips of aperitifs in the Bar Car and reticently sipped cocktails in the Observation Car.
