

# A VOYAGE TO BELIZE: WILDLIFE, REEFS, AND RIVERS

6 Days | Nat Geo Quest | 100 Guests | Expeditions in: Feb/Mar | \$3,850 to \$6,040

## DAY 1: Guatemala City, Guatemala/Puerto Barrios

Arrive in Guatemala City and connect with our charter flight to Puerto Barrios, where we'll embark the *National Geographic Quest*.

## DAY 2: Monkey River, Belize/Laughing Caye National Park

Sail the southern coast of Belize to the mouth of Monkey River and board Zodiacs to cruise inland through the Belizean jungle, in search of toucans, green iguanas, and myriad bird species. This afternoon, anchor in Laughing Bird Caye National Park, home to idyllic sandy isles and a portion of the Belize barrier reef. Take to the water by snorkel, kayak, or stand-up paddleboard. For scuba divers, incredible diver opportunities abound (additional cost).

## DAY 3: Belize Barrier Reef

Enjoy a full day to further explore the reef, second only to Australia's Great Barrier Reef in terms of biodiversity. Don a mask and fins and dive into turquoise waters to encounter sea turtles, swirling schools of tropical fish, and harmless nurse sharks. Conditions permitting, we'll go ashore for a beach barbecue this afternoon or evening.

## DAY 4: Cockscomb Basin Wildlife Sanctuary/Manatee or Sittee River

Spend the morning discovering the Cockscomb Basin Wildlife Sanctuary, the world's first jaguar reserve. Join our naturalists for a hike along one of the reserve's many nature trails to photograph tropical plants, scan the treetops for winged wonders, and spot the tracks of tapirs and jungle cats. Visit a Maya handicraft center, then cruise the mangrove forests of the Manatee or Sittee River. Tonight, an internationally acclaimed drumming group, The Garifuna Collective, joins us on board for a festive music performance.
