Please note: This trip involves considerable walking on uneven terrain in a natural environment. You should be in good physical condition to enjoy the tour to the fullest. Elevations at hotel locations are not severe, ranging from 1,400 ft. to 5,200 ft. The relatively high altitude reached on some excursions – Gornergrat (10,300 ft.) and other Alpine venues (6,000–7,500 ft.) – could pose problems for guests with certain health conditions. You should consult your personal physician if you have concerns.

*PLEASE NOTE: At this time, elements of the tour are still being finalized. Your deposit will be fully refundable until all details, including pricing, are complete. Our tour operator, Odysseys Unlimited, Inc., will be in touch with you in September 2018 when the final tour details and tour catalog are available. At that time, you will have two weeks to decide whether you would like to convert your preliminary registration to a confirmed booking, or to cancel and receive a full refund. Once your booking is confirmed, the cancellation penalties as outlined in the brochure will apply. You will then receive a complete confirmation packet.
