1. Visit Your Course Dashboard

Go to https://extend.duke.edu/dashboard and you will be redirected to the login page first.

2. Enter Your OneLink ID and Password

You will see a page to log into your account.

Click the button labeled Log in with OneLink to expand it and enter your OneLink ID and password.
3.

Open the Course

After logging in, you should be taken back to the course dashboard page. You will find the course listed there. Click on the button in the lower right of the course card to enter the course. This will only be possible after the course opens for participants on May 4, 2018.
4. 

Course Navigation

The *Home* page where you begin the course will guide you on how to navigate through the course site.
