Activism and Equity (sponsored by the Duke Vigil Commemoration Committee and Class of 1968)

Page Auditorium

Students and faculty who participated in the Vigil - or who watched from the sidelines - struggled with how to express their visions and their values, and those who came later lived with the Vigil's legacy. Accomplished panelists will discuss how they see their responsibilities to enable a more equitable society today.

Opening Remarks presented by **David Henderson**, A.B.'68 and [Joyce Hobson Johnson](#), A.B.'68, both of whom are key members of the Ad-hoc "DukeVigil68" Organizing Committee.

Moderator: [William A. \(Sandy\) Darity](#), Samuel DuBois Cook Professor of Public Policy, African and African American Studies, and Economics and the director of the [Samuel DuBois Cook Center on Social Equity](#) at Duke University; author of numerous articles and co-author of [Economics, Economists, and Expectations: Microfoundations to Macroapplication](#)

Margaret Small, A.B. '68: Vigil Organizing Committee spokesperson, worked in Chicago Public Schools for 25 years. In an eight-year break from academics and education, she worked as a machinist. She was founding Director of the Young Women's Leadership Charter School of Chicago (YWLCS), part of an effort to provide better education for disadvantaged young women on the South Side of the City.

[Randolph J. May](#), A.B.'68, J.D.'71, P'96, P'98: President of the [Free State Foundation](#), which supports free market, limited government and rule of law principles at the federal level. Previously, he served as a Senior Fellow and Director of Communications Policy Studies at the Progress and Freedom Foundation as Assistant General Counsel and Associate General Counsel at the Federal Communication Commission. He has authored numerous books, articles and reports in the legal and public policy fields.

[Christian Dame](#), A.B.'68: Started Interim Executive Solutions; has served as CEO and board member of for-profits, and as volunteer, board member, and chair of several non-profits. He's been the Interim Executive Director for many different kinds of organizations including a major homeless veteran's shelter, Rhode Island's largest Hispanic social service agency, a regional nonprofit housing development agency, a child care center, and a \$30 million social service agency. He is a Vietnam War Veteran.

[Sabriyya Pate](#), '19: A Duke student, who grew up in the DC area as a daughter of Nigerians (her father, a prominent physician, has strong ties to the Duke Global Health Institute). She interned at the [Council on Foreign Relations](#) and has been attorney general and a candidate for president of Duke Student Government, campaigning for better understanding and communication among diverse groups of students.

2:30pm - 4:00pm

Leadership Challenges in National Security: A Conversation with Andrew McCabe presented by American Grand Strategy

Perkins Library 217

McCabe (Duke '90) served as Deputy Director of the FBI until his retirement in March, 2018. A 20+ year veteran of the FBI, McCabe enjoyed a deep portfolio of leadership roles: leading the FBI's counterterrorism program during the 2012 Benghazi attack and the 2013 Boston Marathon bombing, overseeing all FBI national security programs during the Snowden investigation, navigating as deputy director issues like the Clinton email case and the investigation into Russian influence on the 2016 election, and ultimately serving as acting director of the FBI after the firing of James Comey.

Professor of Political Science and Director of the American Grand Strategy Program Peter Feaver will interview McCabe:

"Andrew McCabe has been at the center of some of the FBI's highest-profile activities and so is well-positioned to speak to the range of national security issues the Bureau has had to address. In particular, McCabe has precisely the right background and experience to address a question that has been hotly debated in the media: how effectively is the Bureau managing its national security portfolio and how much confidence should the American public have in this vital institution?"

3:00pm – 3:30pm

Innovation Studio Tour 1

Room 120, 2 Telecom Drive, West Campus

So you have an idea? How will you make it? The way in which physical products are developed and manufactured is changing at an exponential rate. Digital manufacturing and new technologies like 3D printing are no longer the tools of deep-pocketed industrialists. These methodologies are quickly replacing massive machines while at the same time enabling concepts like ultra-rapid prototyping, distributed manufacturing, slim production and personalized, custom products. The systems are at a point where they are economically available to nearly everyone. The Innovation Studio was created to address this emerging industry. The lab features fourteen 3D printers using two technologies, a CNC router and a laser cutter as well as numerous small IoT systems. In this tour you'll learn about how these products are being used at Duke and in industry.

3:00pm – 5:00pm

Computer Science Alumni Reception

Levine Science Research Center, Hall of Science

Connect and celebrate with your classmates at this casual, fun reunion reception as our guests. There will be a variety of food served, and an open wine and beer bar, as well as an ice cream bar for the kids available for this informal reception honoring our returning alumni. We will be presenting talks by our distinguished alumni and an update on our D-Tech Women in Computer Science program. The reception provides an excellent opportunity to chat with faculty and students engaged in Computer Science education and research at Duke. For additional information, contact Richard Lucic, lucic@cs.duke.edu

3:00pm – 4:30pm

Soccer Clinic for Alumni Kids

Soccer practice field on Cameron Blvd/NC 751, right next to Duke golf course; shuttle vans will depart at 3:00pm

Children of alumni (and any interested, energetic parents!) are invited to participate in a soccer clinic coached by members of the stellar Duke men's and women's soccer teams. It is recommended that participants be at least 5 years of age, and wear soccer shoes or tennis shoes (no need to bring shin guards unless you really want to). Duke Athletics will supply the soccer balls. Space is limited.

3:00pm - 5:00pm
