Duke ALUMNI

Dear Duke Alumni and Friends:

Travel with us on an incredible journey to experience the wonders of four nations of southern Africa, where nature's spectacle is at its most dramatic, history is rich, the culture is diverse and the "Big Five" game viewing in pristine natural habitats is extraordinary. Witness the remarkable achievements of the young nations of Namibia and Botswana, striking in their culture and home to one of the densest game populations on the planet. Walk in the footsteps of Nelson Mandela in South Africa, and behold the majestic natural beauty of Zimbabwe.

Few experiences can match this exclusive, in-depth itinerary and once-in-a-lifetime opportunity to travel the breadth of southern Africa. A highlight of your journey is a three-night river safari aboard the exclusively chartered Five-Star M.S. ZAMBEZI QUEEN, an intimate river vessel featuring only 14 beautifully appointed Staterooms. On the legendary Chobe River in Namibia, enjoy naturalist-guided excursions by small watercraft, a unique alternative to traditional land safaris and an exceptional perspective from which to observe the magnificent wildlife along the Chobe's shores. Your itinerary also includes the classic land safari—enjoy superb game viewing aboard four-wheel-drive safari vehicles in seldom-visited Botswana, a haven for nearly all of the southern African mammal species.

Follow Mandela's long road to freedom from Soweto to Robben Island and on to Johannesburg and the presidency of South Africa, "the rainbow nation." Savor glorious Cape Town, dramatically situated between Table Mountain and its stunning harbor, while enjoying your stay in the historic, Five-Star BELMOND MOUNT NELSON HOTEL. Revel in spectacular seaside views, visits to Cape Point and the Cape of Good Hope and enjoy a scenic drive through South Africa's winelands to view the distinctive Cape Dutch architecture. Visit three UNESCO World Heritage sites, including one of the world's Seven Natural Wonders—Zimbabwe's incomparable Victoria Falls. Stay steps away from "the smoke that thunders" in the legendary, Five-Star colonial VICTORIA FALLS HOTEL.

As our Duke group grows in size, a Duke host will join the trip to bring a uniquely Duke perspective to the tour. Come join us on this unique journey of a lifetime. We encourage you to book now while Early Booking Savings are available, as space is limited and sells out quickly.

Resilient Diversity

Discover the dynamic diversity of southern Africa, from the abundant flora and fauna along Namibia's Chobe River and in one of Botswana's vast game parks, to Zimbabwe's awe-inspiring Victoria Falls—"the smoke that thunders"—and South Africa's world-class cities of Johannesburg, Pretoria and Cape Town. Traverse a kaleidoscope of landscapes—low-lying grassland, expansive highveld, rambling winelands, lush swampland, mountainous escarpments and breathtaking ocean coastline. Here, in their natural habitats, observe remarkable wildlife including the "Big Five"—African elephant, Cape buffalo, leopard, lion and rhinoceros—and hundreds of bird species. Encounter a mosaic of welcoming people, descendants of the ancient San, Xhosa, Tswana and Zulu nations, Portuguese explorers and Dutch, British and German settlers. This cultural *mélange* of tribes, creeds and languages holds a rich history that spans from the dawn of humankind to victorious feats of democratic infrastructures, and they are eager to share their friendly ubuntu spirit with you.

POST-PROGRAM OPTION

Johannesburg, South Africa/ Soweto/Pretoria

Known colloquially as "Joburg," charismatic Johannesburg is home to one of the world's largest urban forests, where amid some of the tallest buildings on the continent, more than six million trees flourish in the pleasant subtropical highland climate. The city has been a fast-paced center of commerce and opportunity ever since European prospectors settled here upon the discovery of its gold reef in 1886.

Few places reflect South Africa's history like Johannesburg's once-infamous South Western Townships, better known as Soweto. No longer a shantytown of segregated goldmine workers, this thriving community, pivotal in the anti-apartheid movement, endures as a broad cross section of South African daily life—from shack settlements to a rising

Rugged Cape Point, within UNESCO World Heritage Site Cape Floral Kingdom, draws visitors with its spectacular views.

middle class to millionaires. Its Vilakazi Street even fostered two Nobel Peace Prize laureates, Nelson Mandela and Desmond Tutu. North of Johannesburg is the vibrant capital city of Pretoria, known for its diverse architecture, purple-blossomed jacaranda trees and distinctly Afrikaans culture.

Commence your journey in the footsteps of Nelson Mandela in Soweto. Visit Mandela's house and the Hector Pieterse Memorial, an iconic symbol of the historic 1976 student protests. Tour the dramatic exhibits in Johannesburg's Apartheid Museum, and visit historic Liliesleaf Farm, once the epicenter of the liberation movement and a place of refuge for its leaders, and today a museum and world-famous cultural heritage site. The farm was pivotal to the anti-apartheid movement in the early 1960s and was the key location in the Rivonia trial that resulted in convictions and life sentences for Nelson Mandela and other members of the African National Congress.

Enjoy the Welcome Reception and Dinner with Special Guest Speaker Nicholas Wolpe, Founder and CEO of the Liliesleaf Farm Trust and son of Harold Wolpe, an anti-apartheid activist.

In Pretoria, visit the Union Buildings, originally designed with two wings representing the union of the formerly divided English and Afrikaners, and see the formal garden where Mandela gave his historic presidential inauguration speech (1994). See the Voortrekker Monument, built to honor the mid-19th-century Dutch

Voortrekkers (pioneers), who emigrated from the Cape Colony to the inland highveld.

Cape Town/Robben Island

South Africa's "Garden City" of Cape Town is one of the world's most beautiful cities, located alongside a stunning harbor and adjacent to the UNESCO World Heritage Site Cape Floral Kingdom, which sustains over 4000 plant species; and majestic Table Mountain National Park and world-class winelands. Founded by the Dutch East India Company as a supply station, Cape Town today is a vibrant, cosmopolitan capital city of meticulously preserved Edwardian and Victorian buildings and outstanding examples of Cape Dutch architecture. Ascend Table Mountain by cable car (weather permitting) for sweeping city and coastal views, and ride a funicular to lofty Cape Point. See the historic City Hall, where Mandela made his first public speech just hours after his release from prison. Visit Boulders Beach in Simon's Town for a rare up-close look at a protected colony of endangered African penguins nesting in sand burrows. Then, enjoy a private wine tasting at a local vineyard.

Visit Robben Island prison, a UNESCO World Heritage site, where Nelson Mandela and other political prisoners, despite the inhumane conditions they experienced, made strides in attaining equal rights. A former inmate guides your tour of the island, providing an invaluable perspective on South Africa's social and political transformation.

Seek out the "Big Five," including leopard, during a game drive in Chobe National Park.

Observe the unique interactions among species in this unspoiled ecosystem.

UNIQUE AFRICAN RIVER SAFARI

Chobe River, Namibia, and Botswana

The privately chartered, Five-Star M.S. ZAMBEZI QUEEN provides a world-class, uniquely African, intimate and deluxe small river ship experience in one of the most remote locations on Earth, and offers extraordinary game-viewing opportunities distinctly different from a land safari. The M.S. ZAMBEZI QUEEN is designed to navigate the Chobe River near exotic Chobe National Park, and to allow one's eye to be drawn to the constant movement of wildlife on the riverbank—elephant, Cape buffalo, rhinoceros, crocodile and a vast array of bird species—while cruising or at anchor. From your stylish “floating lodge,” local guides will lead you on unique game-viewing river safaris aboard small, custom-built, private excursion boats. Visit a native village along the river to experience the local culture firsthand, including a dance performance and artisan crafts.

Board small excursion boats and encounter wildlife up close, like Kalahari elephant along the Chobe River.

Chobe National Park, Botswana

Comprised of lush floodplains, marshland and dense mahogany and teak woodland, northern Botswana's vast, diverse Chobe National Park is one of the last surviving wild areas on the continent, with a landscape reminiscent of the Africa of explorer David Livingstone, author Karen Blixen and big game hunter Denys Finch Hatton. It is brimming with wildlife and especially so along the Chobe River, with water in plentiful supply year round. It is home to one of the densest Kalahari elephant populations on the African continent (approximately 120,000), as well as lion, cheetah, leopard, zebra, impala, hyena, wildebeest, warthog and more than 450 bird species, including helmeted guinea fowl and red-billed wood hoopoes.

Victoria Falls, Zimbabwe

Walk the trail along the edge of thundering Victoria Falls, a UNESCO World Heritage site, one of the Seven Natural Wonders of the World and among the largest waterfalls on Earth. Here, the wide Zambezi River, after meandering through a basalt plateau, suddenly plunges into a 355-foot gorge, creating frothy rapids and vaulting a fine, rainbow-hued mist high into the air, lending this breathtaking cascade its local name, Mosi-oa-Tunya—“the smoke that thunders.” See the impressive Victoria Falls Bridge, an engineering marvel that was surveyed, designed, constructed in England, then transported to the Zambezi River gorge and finally reassembled in only five years, becoming the only rail link between Zambia and Zimbabwe.

Five-Star M.S. ZAMBEZI QUEEN African River Safari

The exclusively chartered, Five-Star M.S. ZAMBEZI QUEEN (ZQ) is a specially designed, stylish “floating lodge” built to navigate the Chobe River and provide a unique river safari in one of the last great untouched places on Earth.

Each of its 14 tastefully appointed, air-conditioned, spacious (from 211 to 340 square feet) Staterooms features floor-to-ceiling windows with a sliding glass door that opens onto a private balcony, one queen bed or two twin beds and private bathroom with shower. All accommodations offer remarkable opportunities for unobstructed viewing of wildlife and river vistas from the comfort of your bedside.

Onboard dining features full buffet breakfast, buffet lunch and three-course dinner, including complimentary wine and beer, served daily in the spacious dining room, with unobstructed views on three sides for game viewing as animals gather at the water’s edge. Regional cuisine is prepared by South African-trained culinary staff featuring local ingredients combined with international flavors.

Comfortable and classic contemporary public areas include a lounge, bar and open-air deck with plunge pool.

The ZQ leaves no lasting footprint on the environment. It meets inland water safety standards and is specially designed to be environmentally sensitive with a water-jet propulsion system to prevent damage to the riverbed; fuel-efficient, low-emission generators; solar-heated hot water; and an onboard water purification system.

Long Walk to FREEDOM

South Africa has a long history in its struggle to freedom and racial equality. Apartheid, enforced by the country's National Party government from 1948 until the early 1990s, brought rise to luminaries including Nelson Mandela, Oliver Tambo and Archbishop Desmond Tutu, who worked tirelessly to overturn inequality.

Take a step back in time with a specially arranged guest speaker in Johannesburg, who discusses South Africa's struggle for freedom. Follow in Nelson Mandela's footsteps through Soweto, visiting his former home on renowned Vilakazi Street, where both he and Desmond Tutu once lived. Stand at the Union Buildings in Pretoria, site of

Nelson Mandela's historic 1994 inauguration as South Africa's first black president, and tour Robben Island, a UNESCO World Heritage site and former penitentiary where Mandela and many other political prisoners were held, which today stands as a poignant reminder of the triumph of the human democratic spirit.

Throughout your journey, inspiring visits reveal the important milestones involved in the "Long Walk to Freedom."

MalaMala Private Game Reserve Post-Program Option

Experience even more of southern Africa's natural wonders in the country's largest private "Big Five" game reserve. Renowned for the quality of its leopard viewing, MalaMala is ideally nestled between the Sabi Sands Game Reserve and Kruger National Park, with which it shares an unfenced border so wildlife can roam freely between the reserves. Marvel at the abundance of wildlife during two early morning game drives in an open-air vehicle, experience a walking safari with the ranger, and enjoy an afternoon game drive taking you deep into the bush, where you may encounter some of South Africa's top carnivores—cheetah, hyena and lion. Spend two nights in the Five-Star, MALAMALA MAIN CAMP, set amidst old-growth trees along the banks of the Sand River, featuring thatched accommodations with private modern bathroom facilities and individual climate control.

The Post-Program Option is available at an additional cost. Details will be provided with your reservation confirmation.
